"Tineke were the florists for our wedding on 13th July at Hazel Gap and I cannot possibly begin to explain how amazing they were from start to finish. After contacting them through their website an initial meeting was set up where myself and Kerry went through my vision and ideas, something that was followed up at a second meeting closet to the date. I was fairly open ended with what I wanted with the main thing being 'colour, LOTS of colour' and oh my word did they deliver. When the bouquets arrived on the morning both myself, my mother and all my bridesmaids were blown away by how beautiful they were and this reaction was repeated when we arrived at Hazel Gap and got to see the rest of the flowers. I have never seen floral displays as beautiful as the ones Tineke created for our wedding and I would recommend them to anyone in a heartbeat. Super professional, incredibly friendly, full of brilliant ideas and immensely talented. Thank you so much for everything!"
